Amazónico Dubai

Originally opened in Spain by husband and wife team and renowned restaurateurs, Sandro Silva and Marta Seco, Amazónico quickly became one of Madrid's most-popular and well-loved restaurants. In 2019 the couple decided to open their first international site, Amazónico London situated in Mayfair, one of London's most affluent areas, followed by Dubai in the heart of DIFC.

Through taste, touch and sight, visitors are taken on a sensory journey along the flow of the Amazon river, exploring the cultural and gastronomic heritage of the region. Discover true Latin American hospitality along with a vibrant atmosphere that is perfect for memorable entertaining, whatever the occasion.

Private Dining

Designed by internationally renowned artist Lázaro Rosa-Violan, our Private Dining Room is a truly unique space. The interiors showcase dramatic features that reflect a bird's eye view above the lush canopies of the Amazon jungle. Created using natural and raw materials the walls are adorned with a custom-made carpet in a variety of textures and tones alongside mirrored surfaces that create water-like reflections.

Private Dining Room

Situated on the top floor of Amazónico and accessible through a private elevator, our Private Dining Room suits both lunch and dinner occasions. The retracting floor to ceiling windows open onto the Copacabana inspired Rooftop bar, which creates a vibrant atmosphere and showcases the stunning views of DIFC. For more personal celebrations, curtains can be in place for intimacy and privacy.

Bar & Lounge

A statement 10 metre cocktail bar extends across the lounge. Amazonian butterflies, or Mariposas, feature heavily across the restaurant; seen resting on the walls, encased in glass and 3D hand-painted versions hang from the ceiling with each sculpture individually lit. These creatures, along with the two giant fire installations behind the bar and the indoor/outdoor terraces, bring an alluring charm to this space. The elevated DJ booth is central to the seating layout offering an ideal set up for events with guest speakers or performers.

The grill is filled with glowing charcoal briquettes, and bright orange and yellow flames are rising from the coals. In the background, a large bowl filled with brown, round items, possibly bread or potatoes, sits on a wooden surface. The scene is set in a restaurant with a rustic, tropical theme, featuring wooden elements and lush greenery visible through a window in the background.
